

# Altrad Lescha

## LDH series dehumidifiers

The Altrad Lescha LDH dehumidifiers are efficient and effective air dryers with a digital and programmable display. Easy to use and with a high drying capacity.

Type: LDH 300

Type: LDH 600

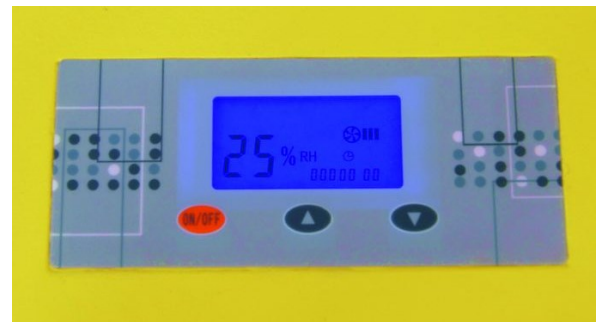

Type: LDH 800

### Advantages:

- Very quiet dryer
- Hygostat controlled dehumidifier
- Rotary compressor
- CFC-free
- Environmentally friendly refrigerant R-407C
- High working range
- With hydrometer

Simple digital programmable display.

### Technical specifications

Type	LDH 300	LDH 600	LDH 800
Article number	61211	61213	61214
EAN code	4260182070741	4260182070765	4260182070772
Motor (V/Hz)	230/50	230/50	230/50
Power (W)	700	1000	1200
Air output (m <sup>3</sup> /u)	350	680	680
Workspace (m <sup>2</sup> )	30-50	60-80	100-120
Operating range (°C)	5-32	5-32	5-32
Dry cap. 30°/80° (l/u)	30/24	60/24	80/24
Cap. Water tank(l)	5.0	5.8	5.8
Weight (kg)	27	51.5	53.5
